Speaker: W. C. (Bill) Allen ~ "Following Florence"

Our after-dinner speaker will introduce us to the Canadian artist, Florence Helena McGillivray (1864-1938).

Bill is a producer, writer, photographer and filmmaker from Newmarket, Ontario, who has a keen interest in genealogy and Canadian history and art.

While researching the McGillivray family from Whitby, Ontario, a few years ago he became fascinated with Florence, a relatively unknown landscape artist and a member of this prosperous family. He will present his research on Florence's life and works, including how she developed a

lifelong connection to the Gatineau Valley.

The picture above is entitled *Looking up Burnside*, by Florence Helena McGillivray. Circa 1928. From the Geggie family collection.

Farm Point Walking Tour
Saturday, June 18, 2016 at 2:00 p.m.

Farm Point Community Centre,
331, chemin de la Rivière Chelsea, QC

Join us for this special tour of Farm Point, the most northerly sector of Chelsea, as we celebrate the 100th anniversary of the building of St. Clément's Catholic Church. Former Chelsea councillor, Claude Gervais, will lead us on a tour through this historic hamlet.

Did you know that Farm Point was once home to:

- one of the first electric power plants in the area, built in 1912 by entrepreneur Freeman Cross, that provided power for a sawmill and for a short while, a toy factory, producing wooden toys. His like-minded brother Stephen, who lived nearby, also owned a sawmill, as well as a general store and cheese factory;
- a fancy lodge that could accommodate 100 guests and boasted tennis courts and a nine-hole golf course;
- a brucite plant operated by Alcan, and employing between 90 and 100 workers (now known as Morrison's Quarry);
- a public ferry operated from the Levi Reid farm (now Mont Cascades golf course) on the east side of the river to just north of the Meech Creek.

Tours will available in English and in French

River Pride Celebration

Six non-profit community groups from the Gatineau Hills are thrilled to be presenting **River Pride** this summer, a series of six major arts and recreational events in La Pêche, Cantley and Chelsea that put the spotlight on our love affair with the Gatineau River, its historical significance and continued relevance to our daily lives.

Our goal is to bring people together for a big, fun-filled celebration — but also, on a more serious note, to encourage a discussion about stewardship of the River, and to promote an understanding of its heritage.

For more details and a list of upcoming events see
