

THE HISTORICAL SOCIETY OF THE GATINEAU

NEXT MEETING

Our next meeting will be held at 8 P.M. on FRIDAY, MARCH 15, 1968, at CHELSEA PROTESTANT SCHOOL.

We are fortunate in having as our guest speaker THE SPEAKER OF THE SENATE, SENATOR SYDNEY J. SMITH, who spent his boyhood in the Gatineau, visiting his Grandmother Olmstead on the Mine Road.

HELP! HELP!

The Society is currently without a Secretary, the last one, Mrs. Percy Martin, having gone abroad for an extended period. Our Treasurer since the founding of the Society, Mrs. C.C. Hudson, asked to be relieved of her duties some time ago after many years of devoted and efficient service. We have decided to combine the two positions as the work of each is intermittent and not too arduous. We have been seeking a helping hand (and mind) for some months now, and we are even willing to add the incentive of an honorarium - not large but adequate. Would you be interested, or do you know someone who might be? We would be awfully pleased to hear from you. Just telephone 992-7375 during the day, or 235-1064 in the evenings, and ask for the undersigned.

MEMBERSHIP RENEWAL

Due to problems referred to above, we are late in sending out the membership cards for the new year. Yours is enclosed with this notice, and we would be pleased if you would send in your dues at the rate of \$2.00 per person to Mrs. Thomas Hyslop, Kingsmere, Old Chelsea, P.Q. And will you do it now? We would be most grateful if you did because we really want your support.

RECAPITULATION

We need a Secretary-Treasurer.

We need your membership renewal.

We need your support.

We need hardly say we'd thank you for the answer to any of our needs.

Arthur Davison
President.
