

## THE HISTORICAL SOCIETY OF THE GATINEAU

### NEXT MEETING

Our next meeting will be held at 8 P.M. on TUESDAY, MAY 14, 1968 at the GATINEAU RIVER YACHT CLUB.

We are indebted to Mr. Pat Evans, our regional representative for that area, for arranging this meeting which will provide a number of interesting features as part of KIRKS FERRY NIGHT.

The Clubhouse is located about one-half mile north of Tenaga or one mile south of Kirks Ferry on the right or river side of Highway 11. Turn in at the Yacht Club sign, proceed to the bottom of the hill, cross the railway and park in the designated area. It is a short walk from there to the Clubhouse at the river.

Do not miss this special night when we will have the opportunity of meeting the Commodore of the Club and many of its members.

### A SADNESS

On Easter Sunday the Society lost through death one of its charter members - Shirley Hope Johnston, wife of Wilbur Johnston of Meach Lake. She was devoted to the Society and to the community with which she had been identified for a great many years. We shall miss her wise counsel and kindly help.

### APPOINTMENT IN APRIL

We are pleased to announce that Mr. Hilary Sharp of Gleneagle has accepted the appointment of Secretary-Treasurer of the Society. Mr. Sharp brings some special talents and experience to the post and we look forward to this association.

### APPRECIATION

One of the founding members of the Society, Mrs. C.C. Hudson has retired as Treasurer having served in that capacity since our very beginnings. In the meantime she has devoted countless hours to the benefit of the Society looking after our financial affairs and in many other fields of endeavour. For all this and for a continuance of her assistance in ways for which she is specially fitted - a sincere thank you.

### GENTLE REMINDER

Mrs. Thomas Hyslop of Kingsmere, Old Chelsea, P.Q. will be happy to receive the membership dues (\$2.00 per person) of all those who have not already renewed for the current year.

### AUCTION SALE

There are only four months remaining in which to accumulate those items for our sixth annual sale in August.
