Wakefield, Que.

Dear Mr. Leblanc:

This letter is to confirm our recent conversation whereby you agree to provide all the labour and materials necessary to tar, gravel and flash the roof of the Cascades Club squash courts addition (approx. 45'x 50'). It is understood that the workmanship and materials will comply with accepted Canadian standards. We further acknowledge that the cost will be \$2,000.00 and that for a further \$1,000.00 you will provide materials and labour to finish the "mansard" siding in asphalt shingles (approx. 10'x 190').

If you find the above satisfactory please sign one copy and return it to me and I will advance \$1,000.00 in order that you can purchase the materials.

*WJ Alan*  
~~Please note that it is very important that the roof be completed before July 8, which is the day of our annual Bar-B-Q.~~

Yours truly,

Alan Hopkins  
President  
Squash Cascades
