

The Annual GVHS & Friends Larrimac to Meech Lake Fall Hike

Sunday, September 18th at 9:30am

Before the start of the walk, there will be a short explanation of our hike in the Larrimac Golf Course club house.

The walk will be up the Cooper Trail, under A-5, along the top of the ridge to O'Rourke's clearing and then down the other side to the Historic Carbide Wilson Mill where we have our lunch.

After lunch we will walk to a little known sandy beach along Meech Lake to enjoy a swim. We will complete the walk up the Discovery Trail to the O'Brien parking lot.

Please arrange in advance for rides back to Larrimac.

The hike will be on moderately difficult and hilly terrain – sturdy hiking boots are recommended. Hike will finish around 2 pm.

To sign up call Allan Richens at 819 827-1616 or email: allanrichens@sympatico.ca
